Think Fast.

C'mon faster. Because here comes Sonic The Hedgehog.™ He's the fastest critter the world has ever seen, and he's a hedgehog with a major attitude.

Watch him smirk in the face of danger as he blazes his way through hilly pastures, underwater caverns, marble ruins, strange cities and a cybernetic world of enemies in a race to save his buddies.

Sonic's got everything a hedgehog could ever want: tricks, gadgets and speed. So don't blink or you might just miss him. Sonic is sold separately or included when you buy a Sega™ Genesis 16-bit system.

Leading the 16-bit revolution.™
